

AGC Glass Europe Announces New Low-carbon Glass Range

Tokyo, July 26, 2022 - AGC (AGC Inc., Head Quarters: Tokyo, President: Yoshinori Hirai), a world-leading manufacturer of glass, chemicals and high-tech materials, announces that its 100% subsidiary, AGC Glass Europe (Head Quarters: Belgium) has announced a new glass range with a significantly reduced carbon footprint, to be launched by the end of 2022. Details will be provided at a press conference at glasstec 2022 in Düsseldorf in September.
