

AGC Honored with Global Contribution Award And Two Other Awards by Toyota Motor Corporation

Tokyo, March 5, 2019—AGC (Headquarters: Tokyo; President: Takuya Shimamura) announced that it has received the Global Contribution Award at the annual Toyota Global Suppliers Convention.

The Global Contribution Award is an award to honor the suppliers who have achieved the excellent results in the area of quality, cost and technology to produce Toyota vehicles globally. It is Toyota's most prestigious awards presented to its suppliers.

AGC also has received "Superior" Value Improvement Award in recognition of the company's contribution to the cost reduction and "Superior" VA Award in recognition of the company's contribution to the promotion of VA activity of Toyota Group.

The AGC Group supplies automotive glass and automotive components to the Toyota Group. The AGC Group will continue to contribute to the development of future mobility society by meeting the needs of its customers.
