

Notice of Data Incident Involving Employee Information

AGC America Inc. recognizes the importance of protecting the personal information we maintain. This notice is to inform individuals of a cybersecurity incident that AGC America recently addressed.

On December 14, 2023, we detected an incident that impacted the availability and functionality of our computer network. After discovering the incident, we took measures to secure our network, began an investigation, and reported the incident to law enforcement. Through our investigation, we determined that, between December 12, 2023, and December 17, 2023, an unauthorized actor accessed and acquired files maintained by AGC America for human resources purposes, including files containing the name, Social Security numbers, and, for current and former health insurance plan participants, limited health insurance plan enrollment information.

We are mailing individual notifications and offering complimentary credit monitoring and identity theft protection services to the individuals whose information may have been involved. If you believe your information was involved and you have questions about this incident, please call 888-814-9907, Monday through Friday, 9.00 a.m. to 7.00 p.m., Eastern Time, excluding major U.S. holidays. To help prevent something like this from recurring, AGC America is implementing additional security measures to enhance the security of its network and is continuing to train its employees concerning data security.
