

AGC Publishes the “AGC Integrated Report 2020”

Tokyo, May 28, 2020—AGC Inc.(AGC), a world-leading manufacturer of glass, chemicals and high-tech materials, today released the "AGC Integrated Report 2020" (Japanese version). The English version of this report will be released at the end of June, 2020.

In addition to financial information such as the AGC Group’s financial performance, growth strategies, and the initiatives and outlooks of each of its businesses, this report also covers 'non-financial' information such as the company's efforts to respond to challenges in the areas of environment, society, and governance.

This year's integrated report, consisting of feature articles, details the growth strategies of core and strategic businesses and the efforts to strengthen non-financial capital of the AGC Group as a whole in order to achieve long-term sustainable corporate value improvement.

Under its **AGC plus** management policy, the AGC Group is committed to continuing to solve the challenges faced by society to provide safety, security and comfort to society.
